## Structure

1. **1 Page** maximum (especially for freshers)
2. **1 Column** preferable
  - a. ATS scans don't always parse information from columns properly.
  - b. Is not followed by senior applicants, so difficult to follow for human eyes.
3. Try listing in reverse **chronological order** (within sections)
4. **Relative font sizes should be close.** It's not like you use 20 for title and 8 for description

### **WORK EXPERIENCE** \_\_\_\_\_

#### **Aten Ventures**

##### **STRATEGIC CONSULTANT**

*July-Sept 2020*

- Worked on quality market research and distribution channel analysis of **marketing technology**.
- Also on building of a similar marketplace to connect startups with VCs and other potential investors, researched on **200+ startups**.

#### **SKK Infra Pvt. Ltd.**

*Udaipur, India*

##### **ENTERPRISE RESOURCE PLANNER**

*July 2019*

- Worked on various tools required in enterprise resource planning of the company and managed them.

5. Each bullet should have max 1 or 2 lines. No non-integral lines.
6. The order of sections depends on your history and JD
7. **White spaces Laxman Rekha:** Inexperience | Bad design
8. Name it like 'Rahool\_Jaen\_Resume'

| Resume Header                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                     |
